(WALK TO FRONT OF STAGE)

What do the scriptures say?

Listen, please, as I read the words of Jesus himself!

He said, “I can do NOTHING of my own authority”

PAUSE

“I came not to MY own will, but the will of HIM who sent me.”

The Lord Jesus Christ WAS an EXTRADORIDNARY man- BUT he WAS a man AND the son of God.

(motion to Constantine) The Roman Empire uses the same idea in their own government: power goes from stages ***(pause)*** higher to lower.

Your royal majesty may give power to other men to act on your behalf, but this does not make them the emperor.

So was the Lord Jesus Christ as the son of God – he was given power by the Father, but as Jesus said HIMSELF: he could do nothing of his own power.

It is NO insult to believe that Jesus was the son of God only. This is how he spoke of himself.
