VBS Levite Survey

1. What was your favorite part of the VBS? Remember the more descriptive you are, the better we can make the Levite program at VBS.

2. Do you feel like you were given a good opportunity to serve the ecclesia? Why or why not?

3. Do you have a better understanding of what it means to serve in the ecclesia as a result of your participation at VBS?

4. Are there any areas of the VBS you would like to be more involved in that you did not have the opportunity to experience?

5. What is your biggest "take away" from VBS this year?

6. What do you think could be improved with VBS?

7. We are hoping to expand the Levite program to include more opportunity for involvement, service and growth. Will you be interested in coming back to serve as a Levite at next year's VBS, God willing? Why or why not?
