Please Note: These passport stamps were put together for the places Paul visited in the CSSA Primary Notes (Stage 5). There are multiple stamps for some of the destinations, as there was more than one lesson where Paul was at this destination.

Print on Avery labels #22805.

Please refer to the post on [www.MagnifyHimTogether.com](http://www.MagnifyHimTogether.com) for details of the passport craft, as well as an additional file which contains a complete list of destination stamps.
