

# Roman Soldier Finger Puppet

## ~ Printable Paper Version ~

### Instructions:

- Print the puppets.
- Cut out as one piece.
- Fold in half.
- Place a thin line of glue around the outside of the puppet (except along the bottom and the top of the spear).
- Glue the two pieces together.

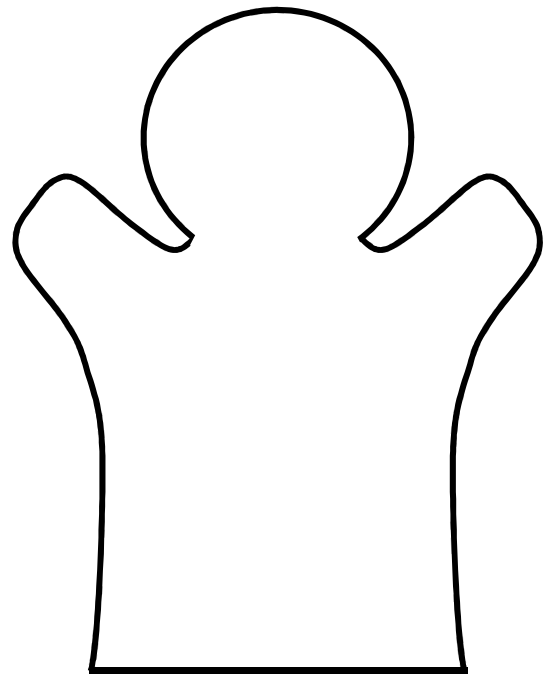

# Roman Soldier Finger Puppet

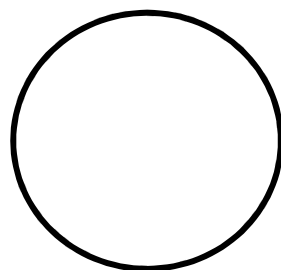

## ~ Felt Template ~

### Instructions:

- Using the template, cut out the various pieces with felt.
- You could use thick cardboard or a thin sheet of foam to cut out the spear.
- Place a thin line of hot glue around the outside of the two body pieces (except along the bottom) and glue together.
- Glue all the other pieces in place.
- Glue two small googly eyes onto the face.
