

# Treat your Bible better than your cell phone

What if we carried it around in our purses or pockets, and took it everywhere we went?

What if we flipped through it several times a day?

What if we turned back to our house to pick it up when we forgot it?

What if we treated it like we couldn't live without it?

What if we gave it to our children as gifts?

What if we used it when we travelled to give us directions?

What if we used it when we were faced with an emergency?

What if we looked everywhere for it when it was lost and didn't stop looking for it until we found it?

What if we checked it several times throughout each day for messages?

What if we spent an hour or more each day using it?

"Thy word is a lamp to my feet and a light to my path." Psalms 119:105
