

MY PERSONAL RESOLVE TO MAKE CHANGES IN MY LIFE NOW

Kingdom by Candlelight Evening

1. Is the closeness of Christ's return shown in the way I live my life?

.....

2. What are two areas of my life where I need to make changes?

.....

.....

3. How am I going to go about making these changes, starting TODAY?

.....

.....

.....

.....

4. Who am I going to share these goals/changes with, so I can be accountable to them? (and hopefully them to me.)

.....

Please put this piece of paper in the envelope provided and write your name and ecclesia on the front. We will return them to you in six months time to see how your resolutions have gone. May God be with you in your resolve to change!
