I see a rain - bow in the sky;

I love to know the rea - son why? That

God won't send a - no - ther flood, And

that is why it's up a - bove.

2. I see a rainbow in the sky,
I love to know the reason why?
That God wants me to trust in Him,
As He can save me from all sin.

3. I see a rainbow in the sky,
I love to know the reason why?
God's glory 'round the earth will go,
When people learn of God's rainbow.
