

# Reflections from 2018

*Reflect again on 2018. Reference the characteristics you listed in your mission statements for various roles. What peaceable fruits of righteousness has God been developing in you?*

*Think through the storms - the challenges and trials - of 2018. Did they produce spiritual growth in you? In what area(s)?*

*Think through the pouring out of God's blessings in 2018. Did they produce spiritual growth in you? In what area(s)?*

God also provides each individual with particular talents (gifts, abilities, or skills) for us to invest in His service. How did you invest the talents God provided to you in 2018? \_\_\_\_\_

God gives us strengths to use for Him, but He works through our weaknesses too. In our weakness, He is made strong and glorified. Think of opportunities where you were called upon to do something that is outside of your "comfort zone". Can you think of opportunities such as these where God worked through you despite your weaknesses?

God also works through others to comfort, sharpen and strengthen us. Can you think of relationships that God has provided you in 2018 that have encouraged you in your spiritual growth? \_\_\_\_\_

Pause to reflect and praise! He crowns you with lovingkindness and tender mercies and satisfies your mouth with good things!

For it is God that works in you both to will and to do for His good pleasure -
