

David and Goliath

A GIANT GOLIATH

THIS IS A PROJECT FOR THE WHOLE SUNDAY SCHOOL AND WILL TAKE THE EFFORTS OF A NUMBER OF TEACHERS AND/OR OLDER SCHOLARS TO COMPLETE.

MATERIALS REQUIRED.

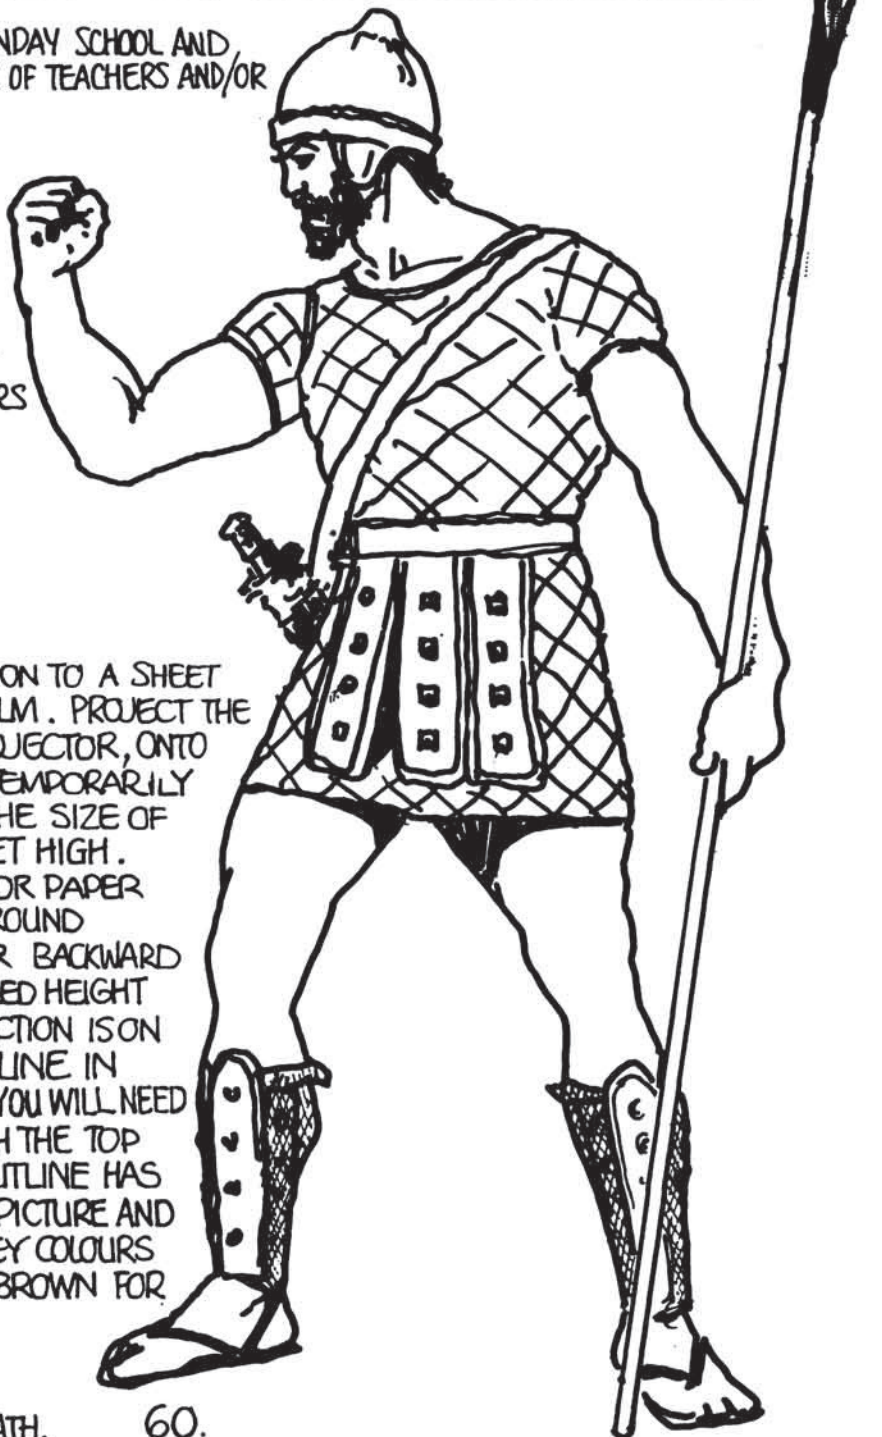

CALICO OR SIMILAR MATERIAL CAPABLE OF BEING PAINTED OR DRAWN UPON. OR A ROLL OF PAPER. (END ROLLS OF NEWSPRINT MAY BE PURCHASED FROM NEWSPAPERS AND LARGE PRINTING FACTORIES FOR A REASONABLE COST.)

- OVERHEAD PROJECTOR.
- SCISSORS ● STEP LADDER
- WATER BASED PAINTS.

HOW TO MAKE IT.

TRACE THE PICTURE OF GOLIATH ON TO A SHEET OF OVERHEAD TRANSPARENCY FILM. PROJECT THE IMAGE USING AN OVERHEAD PROJECTOR, ONTO CALICO OR PAPER WHICH HAS TEMPORARILY BEEN ATTACHED TO A WALL. THE SIZE OF GOLIATH WAS ABOUT 10½ FEET HIGH. THE ACTUAL AREA OF CALICO OR PAPER NEEDED WOULD NEED TO BE AROUND 12 FT X 6'. MOVE THE PROJECTOR BACKWARD OR FORWARD TO GET THE DESIRED HEIGHT OF GOLIATH. WHILST THE PROJECTION IS ON THE MATERIAL, DRAW THE OUTLINE IN PENCIL OR FELT TIP MARKER. YOU WILL NEED TO USE A STEP LADDER TO REACH THE TOP PART OF GOLIATH. AFTER THE OUTLINE HAS BEEN DRAWN, TAKE DOWN THE PICTURE AND PAINT IN THE DETAILS. USE GREY COLOURS FOR HIS ARMOUR AND YELLOW-BROWN FOR THE SKIN AREAS.

SEE OVER THE PAGE FOR SOME ACTIVITIES WITH THIS LIFE SIZE GOLIATH.

SUNDAY SCHOOL ACTIVITY.

SUCH A LARGE GOLIATH WILL OBVIOUSLY ATTRACT THE ATTENTION OF THE WHOLE SUNDAY SCHOOL. HERE ARE A FEW IDEAS ON HOW TO USE IT.

* CUT AROUND THE OUTLINE OF GOLIATH AND STICK IT UP ON A PROMINENT WALL INSIDE THE MEETING HALL.

* SCHOLARS CAN FILE PAST GOLIATH SO AS TO GUAGE HIS ACTUAL SIZE AND HAVE AN IDEA OF HOW DAVID MUST HAVE FELT WHEN HE CONFRONTED THIS GIANT.

* PHOTOGRAPHS COULD BE TAKEN OF EACH SUNDAY SCHOOL CLASS IN FRONT OF THIS LARGE PICTURE OF GOLIATH.

IF THE PROJECT ABOVE SEEMS A BIT AMBITIOUS FOR YOUR SUNDAY SCHOOL, PERHAPS A MARK ON THE WALL 10 1/2 FT. FROM THE FLOOR TO INDICATE HOW TALL GOLIATH WAS, WILL SUFFICE.

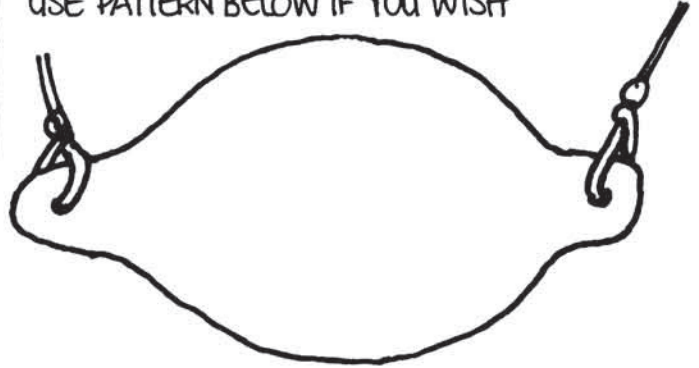

SLING & BAG OF STONES

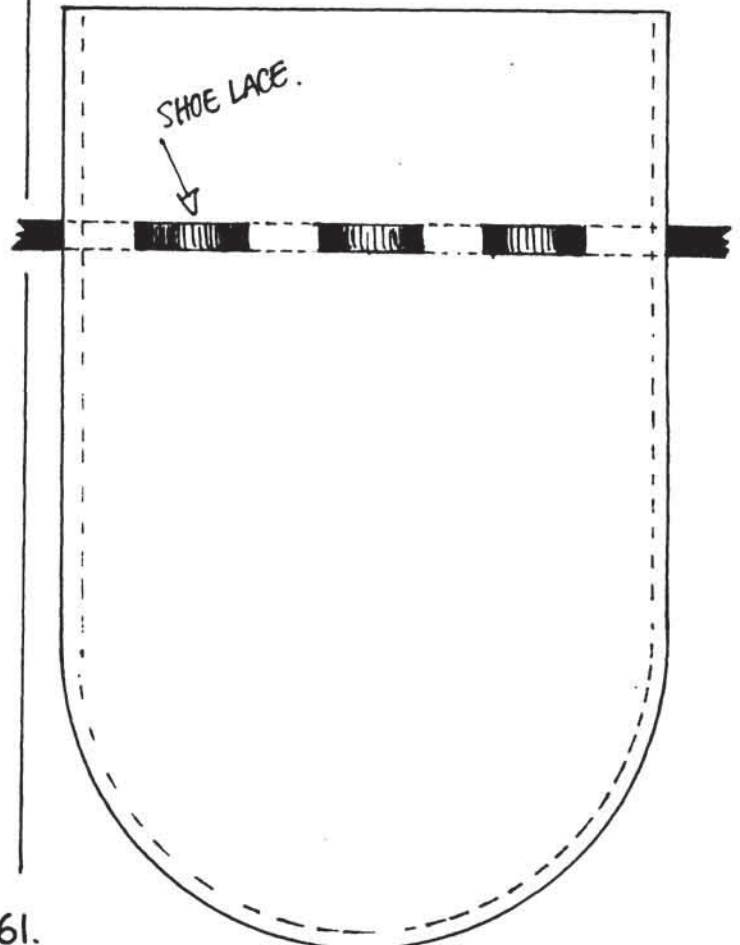

HOW TO MAKE IT.

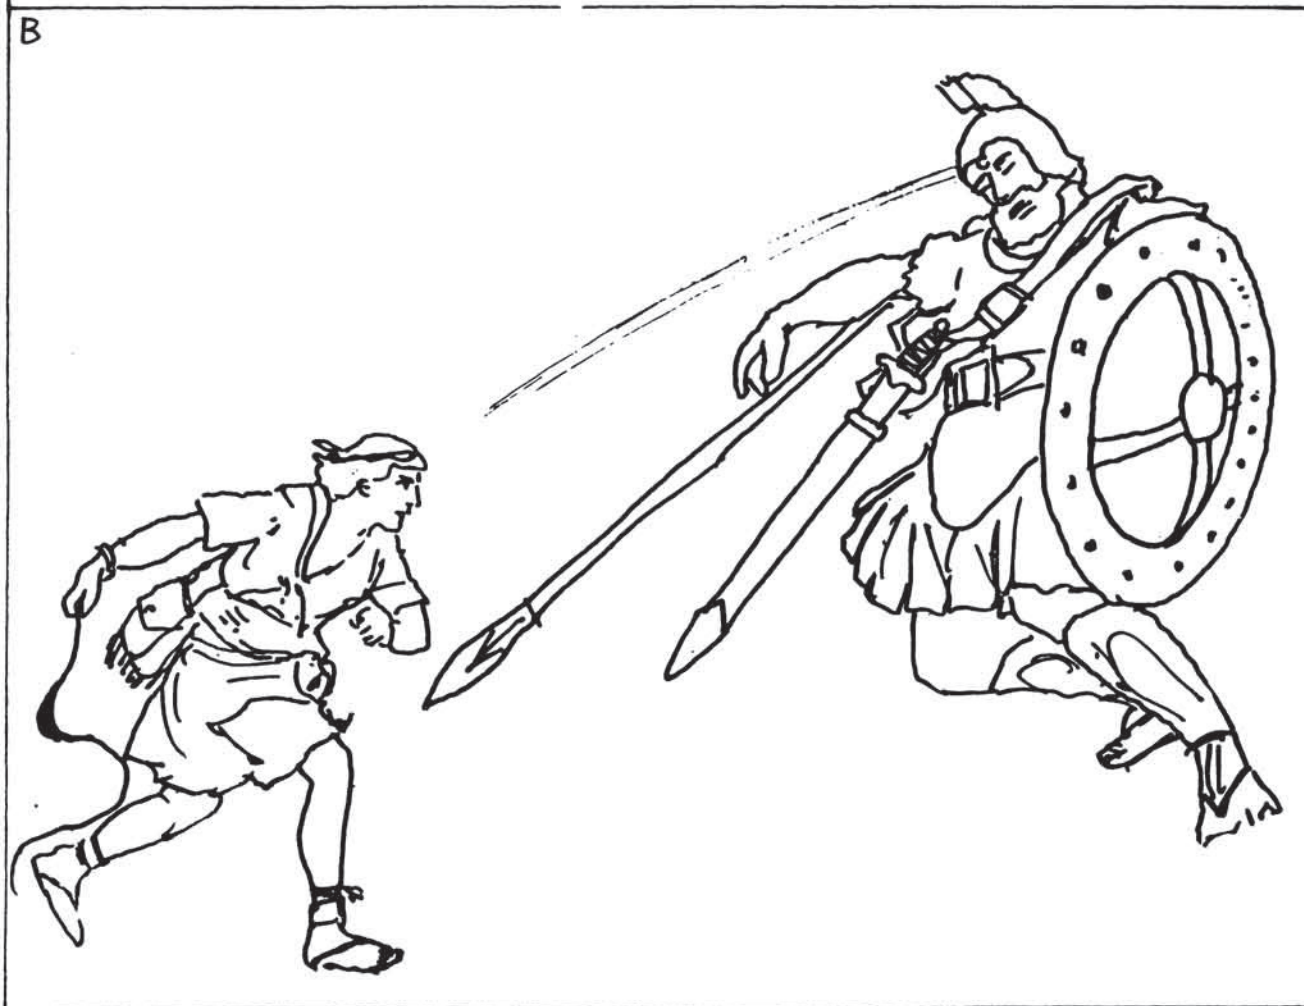

MAKE STONES FROM PLAYDOUGH OR JUST PLAIN BREAD DOUGH. IF YOU CAN FIND THEM 5 SMOOTH STONES WILL BE BETTER.

THE SLING MAY BE MADE FROM 2 BROWN SHOE LACES AND A SMALL POUCH MADE FROM VINYL OR OTHER MATERIAL. USE PATTERN BELOW IF YOU WISH

FOR THE STONE BAG USE THE PATTERN BELOW. ONCE AGAIN USE A SHOE LACE AS A TIE. ANY TYPE OF SCRAP MATERIAL WILL DO. CUT OUT 2 PIECES OF MATERIAL AS PATTERN AND SEW OR GLUE WITH 'LAMP SHADE GLUE' AROUND THE EDGES, THEN TURN INSIDE OUT. THREAD THROUGH A LENGTH OF SHOE LACE AS SHOWN BELOW. PUT 'STONES' INSIDE.

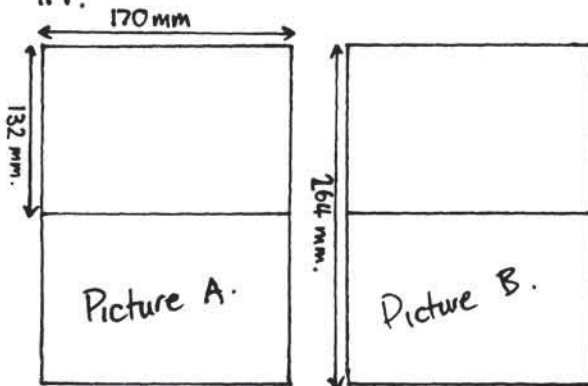

CARD

HOW TO MAKE IT.

USING THE PICTURES ON THE PREVIOUS PAGE - COPY THEM ON TO A CARD AS PICTURED ABOVE. CHILDREN TO COLOUR IN.

WRITE QUOTATIONS OF YOUR CHOICE ABOVE THE PICTURES.

USING THE BAG DESCRIBED ON PG. 61 INSTEAD ON 5 STONES HOW ABOUT 5 SOFT LOLLIES.
