

# Questions:

These are fairly random trivia type questions. If you are reading with children, you could ask one before you read and let them find the answer as you are reading. Or you could use them to play a review type game after reading through a few chapters. Or you could test yourself after reading through the book and see how many you can answer correctly. There is one question for each chapter.

## Job 1

Whose house were Job's children having a party at (v.18)?

## Job 2

What were the names of Job's three friends (v.11)?
