

**WELCOME  
TO  
BABYLON**

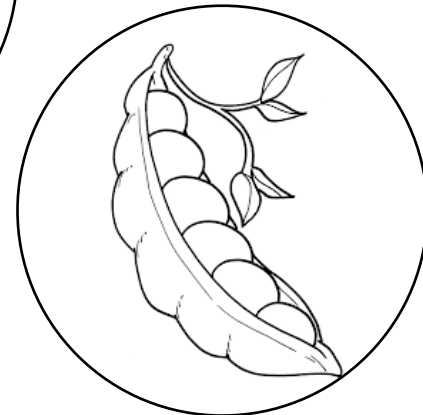

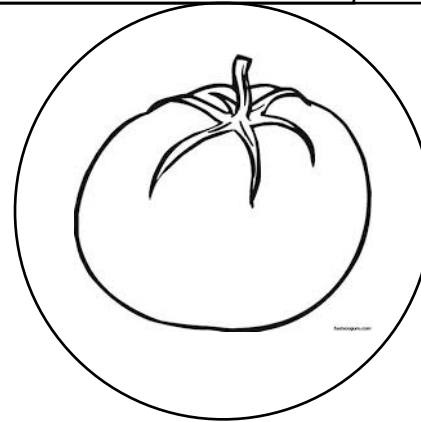

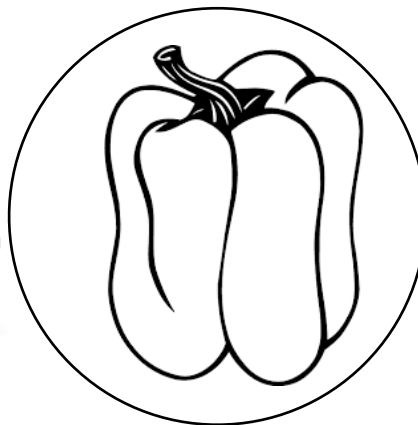

**Daniel**

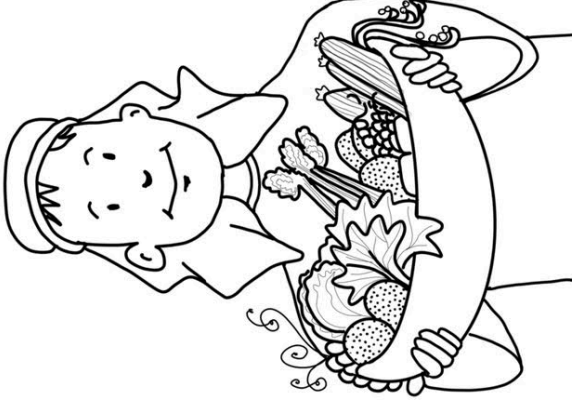

**Shadrach**

Glue here to Mishael

Cut out both rectangles. Glue where directed onto the back of Mishael. Fold accordion style so that "Welcome to Babylon" is on the top, showing. Glue the back of Abednego into the lap book.

Abednego

Cut out the two baskets, keeping them attached at their bottoms. Fold so blank sides are together.

Cut the blank area out of the one basket as indicated. Glue **just** around the handle and around the edge of the basket to attach to the bottom basket. This will make a pocket to slide the vegetables into. Cut out the veggies and slide into the basket.

Glue this side down
