

LESSON 19 - ESTHER THE QUEEN

Esther pleased and found favour with the king's servant and the king himself when she went before him. We need to make sure that we are always pleasant to others because in doing so we are showing God's character.

This week make sure the way you speak and act is pleasing to those around you - in doing so, it will be pleasing to God!

LESSON 20 - HAMAN THE JEW'S ENEMY

There are two examples we can think about from this lesson. Mordecai - who refused to bow down to a man; and Esther - who showed courage in going before the king without being invited!

Let's have courage to stand up for the things that are right and choose to follow our God.

LESSON 21 - NEHEMIAH BUILDS THE WALLS OF JERUSALEM

Nehemiah was a man of PRAYER and a man of ACTION! Remember that we can make short prayers to God whenever and wherever we are and God will hear us! They could be prayers of thankfulness, praise or asking for God's help or guidance.

Keep this in mind during your week and rely on God for His care and guidance.
