

Noah Builds An Ark

Bible Songs for Little Children

Marching ♩ = 112-126

Words & Music:
Julianne Ingram

God said to Noah, "Build a boat -
A big one called an ark."
So Noah built it out of wood
And did what God had asked.

It took a long, long time to build,
It was so very large.
And God would keep them safe inside
Because He was in charge.
