

Cut out both rectangles and the house. Fold on all dotted lines inward. Cut on the solid grey lines. Pop the middle section forward and glue the house on the rock to the front of the pop out.

Glue the small rectangle on the outside of the clouds. Glue the other side into the lap book.

*****Make sure you don't glue the back of the pop out section to the lap book or the cover.*****

Draw rain and flood waters into the picture.
