

LESSON 7 - THE CENTURION'S SERVANT

The Roman Centurion had great **FAITH** that Jesus could heal! **We must have this same faith too ... faith** that Jesus is caring for us and **faith** that he will return and set up God's Kingdom. Not many Romans **believed** in Jesus but this centurion did and wasn't afraid to show his **faith**. **We must be willing to show our faith to those around us too.**

LESSON 8 - JESUS HELPS A MOTHER

Jesus showed compassion on the widow and raised her son. We also need to show that same care and compassion on those around us.

Show someone you care this week by sending a card or some other act of kindness.

LESSON 9 - JESUS STILL THE STORM

Jesus even had power over the wind and the waves! How amazing! The disciples had forgotten that Jesus cared for them and that he had God's power.

If we feel worried or frightened during our week, remember that God is in control of all things and that He cares for us.
