

Lesson 10 – The Sower

True or False? Circle the right answer

1. Jesus spoke to the people in parables. A parable is a story with a hidden meaning

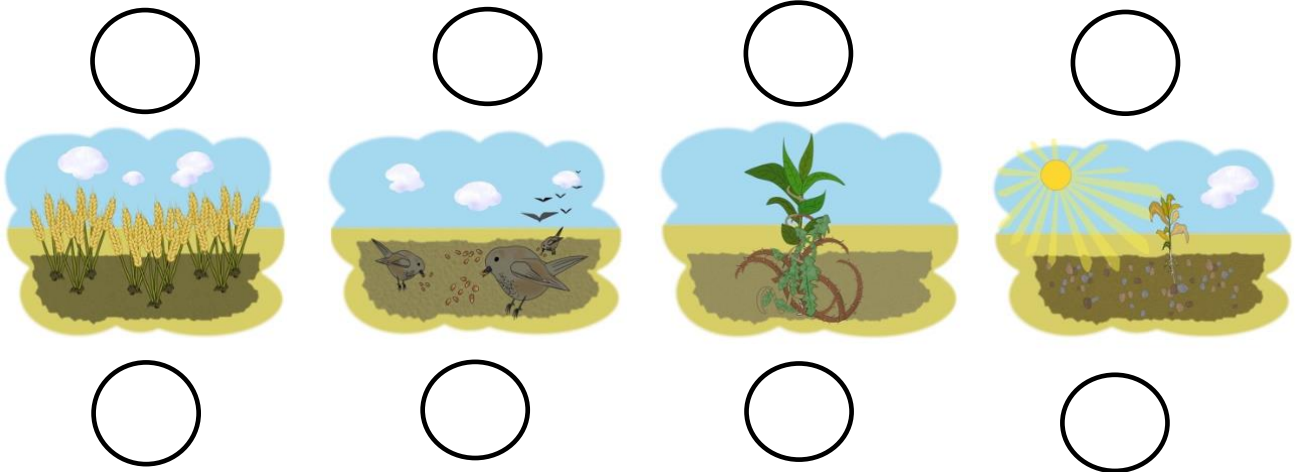

True or False

2. What did the sower throw on the ground?

Which Ground is Which?

3. Use 4 different colors and color the circle above the ground the same color as the circle above meaning of the parable.

Those who hear God's word but don't understand it and forget about it and become interested in other things.

Those who hear God's word and understand it but their minds are full of the pleasures and cares of everyday life and the word gets choked out!

Those who hear God's word and obey it with joy for a while but when troubles come, they lose interest and wither away.

Those who hear God's word, understand it, and let it grow in their hearts and minds. These people are always busy doing God's work and bringing forth fruit.

Circle the right answer to fill in the blank:

4. The seed is the Word / house of God. The ground is like the different kinds of thorns / people who hear the word of God.

Lesson for Us

We want to be the good ground, children who listen to the word of God and do the things that God asks us to do. Draw a picture of you listening to God's word or doing something that God has told you to do in the Bible (Hint: Maybe obeying your parents or being kind or....)
