2. With Julius on guard,
Paul sailed across the straits.
In Fair Havens Paul spoke,
"Let's winter here, it's safe.
And if we sail on,
The voyage will meet strife.
With danger to the ship,
And we might lose our life!"

*Chorus**

3. When onward they did sail,
The ship was wrecked on rocks.
But all aboard did swim,
And not a life was lost.
Paul journeyed on to Rome,
Lived in a hired place.
And witnessed there for Christ,
When he did plead his case.

*Chorus**
