

Lesson 22 Paul's Ship Is Wrecked On The Way To Rome

Cut around the outside of the ship after you have coloured it in. Fold along the dotted lines and bend the two ends to meet. Glue the ends together. Use a straw or pop stick for a mast and fix the sail in place.

Lesson 22 Paul's Ship Is Wrecked On The Way To Rome

Although Paul had warned the Centurion not to sail, he took no notice and the ship began its journey. Soon a very great storm arose and everyone was afraid except Paul.

Fill in the missing words in the story.

The sailors did not see the  _____ or  _____ for many days. They were very frightened, but Paul told them that an
