

## LESSON 7

### ABRAM & LOT SEPARATE

Lot chose the land close to the city of Sodom and eventually moved into the city and became involved with the people there who did not believe in God.

So much so, that his wife enjoyed her life there and didn't want to leave.

Jesus warns us to "Remember Lot's wife" – by this he means, don't get caught up with the wicked ways of the world, but instead he wants us to look forward to the time of the Kingdom when wickedness will be destroyed and all people will come to know and love God. Pray to God that He will help you to keep your focus on the kingdom and that Jesus will come soon.

## LESSON 8

### ABRAHAM OFFERS ISAAC

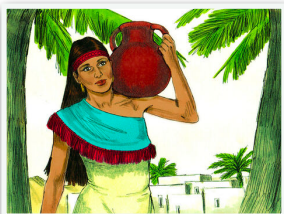

This request from God was a huge challenge to Abraham, and yet he obeyed God! As we grow up, challenges to our faith will come but we must trust that God's word is true and right – even if people in the world around us don't think so. Trust in God and He will direct your life. When you are next awake at night on a clear dark night, look up at the stars and remember that God will keep His promises and the Lord Jesus will return to the earth to set up His kingdom!

## LESSON 9

### A WIFE FOR ISAAC

Eliezer was a man of prayer! He prayed for God to lead him to the right woman, thanked God when Rebekah came along and then thanked Him again when her family allowed her to go with him back to Isaac.

We can also be a child of prayer! Pray for guidance in your life and thank God for His care of you. On the post-it note attached, write out the following quote and leave it by your bed to remind you to pray through your day: "Rejoice always, pray without ceasing, in everything give thanks" | Thessalonians
