

LESSON 16

MOSES IS FOUND BY PHARAOH'S

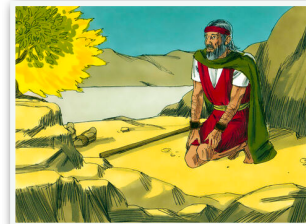

The Hebrew nurses and Moses' parents, Amram and Jochebed, were not afraid of the King's command and showed incredible FAITH in God! Faith sometimes requires ACTION too – Jochebed made the basket for her baby and then in faith she let it go in the river. Try to show your faith in your life this week – it might be by standing up for somebody or something, or by not worrying, or by showing kindness. Talk to your family about some ways you can show your faith.

LESSON 17

MOSES AT THE BURNING BUSH

Through his work as a shepherd, God had been preparing Moses to lead the people of Israel. Think about some of the characteristics of a good shepherd and write them down below. These are qualities that we should also work on in our own lives – remember that Jesus was called “the good shepherd” and it is his example that we are trying to follow.

LESSON 18

THE TERRIBLE PLAGUES ON EGYPT

The Israelites and Egyptians were shown the incredible power of God through the plagues brought upon them, that they might believe in His power and greatness! Though we haven't seen these things for ourselves, we must also believe in God and in His greatness and power. This week, look around you and see the power of God – it may be in a storm, or a new flower opening or a beautiful sunset. Praise God for His greatness and power!
