

LESSON 19

GOD SENDS MORE PLAGUES

The Israelites were not touched by next plagues, because they are God's chosen people. We can choose to be part of God's people too, by believing and obeying Him. He said He would bring all these plagues on Egypt and He DID – just as He has said Christ will return and we must believe that He WILL!

LESSON 20

THE CHILDREN OF ISRAEL KEEP THE PASSOVER

The Israelites carefully followed their instructions from God and then ate the Passover Feast dressed and ready to leave as soon as Moses instructed them. We too are waiting for that day when Christ will return. While we wait, we must carefully follow God's Word that He has given us and be ready and waiting to leave behind all that we have. Chat to your family about Jesus returning and let's be ready and waiting for that day!

LESSON 21

THE CHILDREN OF ISRAEL CROSS THE RED SEA

God guided and protected His people with a cloud by day and a pillar of fire by night. God is also our guide and protector! Look up Psalm 119v105 – write it out and put it next to your bed this week.
